FIRING UP

THE FOUNDATION BRAIN

THE CPNP FOUNDATION

Extending the reach of psychiatric pharmacists

ANNOUNCING THE CPNP FOUNDATION

The College of Psychiatric and Neurologic Pharmacists (CPNP) is pleased to announce the launch of the CPNP Foundation, the charitable partner of CPNP.

The mission of the CPNP Foundation is to promote state-of-the art and essential treatments for people affected by psychiatric and neurologic illness.

The CPNP Foundation will accomplish this mission by:

- Advocating for all patients with psychiatric and neurologic illnesses to ensure access to a pharmacist with the knowledge and skills to improve their care.
- Providing resources for research and the dissemination of data, education, and training.
- Securing funds to support the mission of the CPNP Foundation.

2011–2012 INITIATIVES

- Implement mental illness stigma-busting initiatives for practicing pharmacists.
- Develop toolkits for web-based dissemination of information to address objectives of the CPNP Foundation mission.
- Develop a plan for a mental health demonstration project summit to include key, strategic health care partners.
- Establish awards honoring individuals who have made substantial and outstanding contributions to mental health.

THE CPNP FOUNDATION

Extending the reach of psychiatric pharmacists

FIRING UP THE FOUNDATION BRAIN

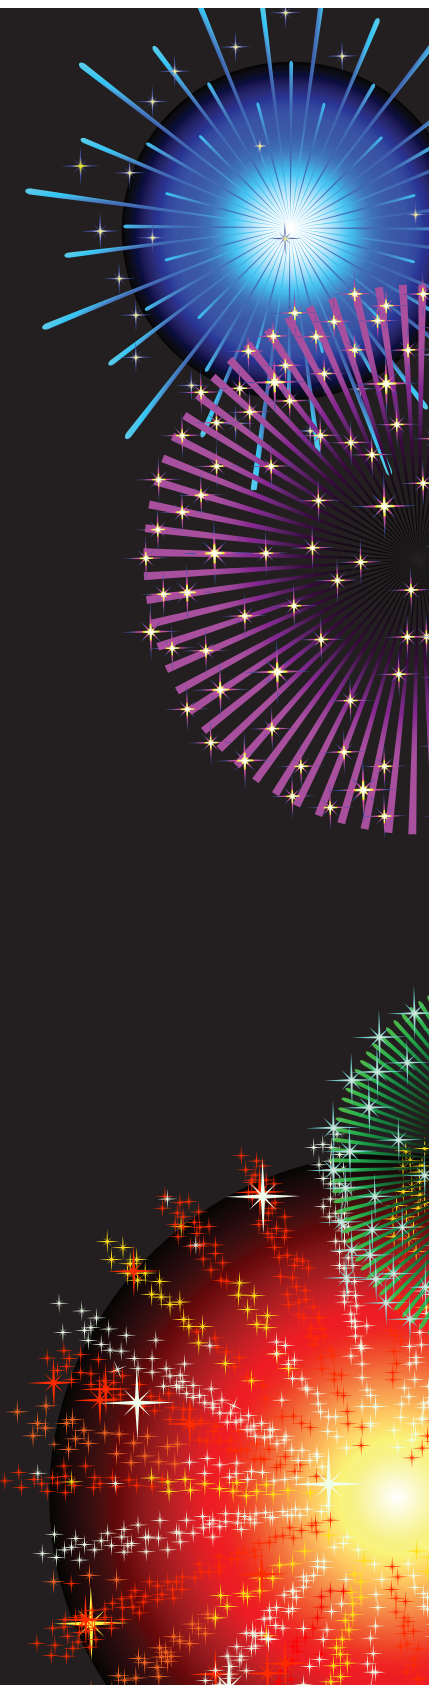

This initial fundraising opportunity is offered exclusively to CPNP members and friends as a means to financially support 2011–2012 CPNP Foundation goals.

Join the Board of Directors in this inaugural effort and become a founding benefactor. This opportunity is available from April 1, 2011 through May 31, 2012. Help us extend the reach of psychiatric pharmacists through your contributions at the Founding Circle level. Donations at the Brainstem level and higher will receive special recognition at the 2012 CPNP Annual Meeting and in future CPNP Foundation communication pieces.

FOUNDING CIRCLE DONATION LEVELS

- **Axon** \$100 (students, residents recommended minimum)
- **Neuron** \$500 (active clinicians recommended minimum)
- **Brainstem** \$1,500
- **Hippocampus** \$2,500
- **Limbic** \$5,000
- **Cortex** \$10,000

As a philanthropic organization, the CPNP Foundation is launching fundraising efforts with the *Firing Up the Foundation Brain* campaign. This one-time opportunity will be followed with ongoing fundraising efforts to include and extend beyond the CPNP membership. The CPNP Foundation is a 501(c)(3) charitable organization. Contributions are fully tax-deductible.

FIRING UP

THE FOUNDATION BRAIN

MAKING YOUR DONATION

I will contribute to the CPNP Foundation, become a founding benefactor and facilitate the mission to promote state-of-the art and essential treatments for people affected by psychiatric and neurologic illness.
