Conference Overview

The **5th Annual Pacific Psychopharmacology Conference** will be held on Friday, September 30th, 2011 at the Red Robinson Theatre, Boulevard Casino, 2080 United Boulevard, Coquitlam, BC.

This year’s conference includes relevant topics on **“Risk Management in Psychopharmacology”** that will be of interest to Psychiatrists, Primary Care Physicians, Pharmacists, Psychologists, Nurses and Social Workers working with Patients with mental illness.

The use of psychotropic medications alone or in combination, contributes to the risks and complexity of treatment. The **5th Annual Pacific Psychopharmacology Conference** provides an opportunity to hear from and interact with Psychiatrists, Pharmacists and Physicians from clinical and academic settings who manage these issues on a daily basis.
