CPNP: join the best minds in psychiatric pharmacy

OUR MISSION
Serving you as we advance the reach and practice of psychiatric pharmacy and serve as the voice of the specialty

WHERE PHARMACY AND PSYCHIATRY MEET
CPNP’s annual meeting and year-round educational programming are dedicated to improving your psychiatric pharmacy skills

PARTNERSHIPS
CPNP represents psychiatric pharmacists in a growing number of partnerships and initiatives

EDUCATION
CPNP produces 50+ hours of CPE designed specifically to meet the needs of psychiatric pharmacists

COMMUNITY
11 CPNP Communities virtually connect members with similar interests online and via email

PROFESSIONAL GROWTH
CPNP supports the psychiatric pharmacist as they progress from student to resident to BCPP and every step along the way

SCHOLARSHIP
The Mental Health Clinician (MHC) is the only peer-reviewed journal providing clinical insights for and from psychiatric pharmacists

COLLEGIALITY
CPNP works with other pharmacy and health care organizations to maximize contributions and resources

NEWS
CPNP helps you stay current on the latest trends in practice

ADVOCACY
CPNP responds to pressing issues and represents you with legislators and regulators

COLLABORATION
2,000+ CPNP members ask and answer your questions on the community email lists

VOICE
CPNP represents you as the voice of the profession
